This form must be returned to the General Manager or Assistant General Manager within twenty-four hours after seeing your family doctor.

An injured worker is likewise expected to cooperate fully in return to work measures. Section 84 of the Worker’ Compensation Act states “(1) Every worker shall (a) take all reasonable steps to reduce or eliminate any permanent impairment and loss of earnings resulting from an injury; (b) seek out and cooperate in any medical aid or treatment that, in the opinion of the Board, promotes the worker’s recovery; (c) take all reasonable steps to provide the Board full and accurate information on any matter relevant to a claim for compensation; and (d) notify the Board immediately of any change in circumstances that affects or may affect the worker’s initial or continuing entitlement to compensation. (2) The Board may suspend, reduce or terminate any compensation made to a worker pursuant to this Part where the worker fails to cooperate in the development or implementation of rehabilitation program.”

Each individual circumstance will be assessed on its own merits. However, the onus is on the worker to fully co-operate and work with the WCB and the employer in implementing the Return-To-Work Program.

Non-work related injuries will be reviewed on an individual basis only.
